**HOW TO TRANSFER YOUR PRESCRIPTIONS OUT OF WALGREENS**

<p><b>Step 1</b>          Once you have decided on a new pharmacy contact the pharmacy and let them know you would like to have your prescriptions transferred and filled at their location. The pharmacy will then reach out to the applicable Walgreens and work with them to transfer what they have.</p>	<p><b>Step 2</b>          If you are going to your doctor you can ask him/her for a new prescription. You can then take that new prescription to your new pharmacy of choice.</p>	<p><b>Step 3</b>          If you are filling a 90-day supply of medication you can contact Serve You at 800-759-3203 and have your prescriptions transferred and filled via the mail facility. In this case your prescriptions will be conveniently shipped to you.</p>
